# DEDICATION

As the Tenth Anniversary Class of St. Casimir, we the Class of '40 humbly dedicate this number of the Casimirocho to the Rev. Fathers and the Felician Sisters who for ten long years have worked and sacrificed to make St. Casimir what it is now.

# FOREWORD

"For us it is a rising, not a setting sun;  
"Our life's not finished—but just begun."

We have tried to fill this book with the finest scenes of our school life interpreted in their true worth. We hope that in the years to come when we have gone still further on life's road it may bring pleasure to turn these pages again and recall the sunny hours spent in Dear Old St. Casimir High, the Best of Alma Maters.

"LIL"

ST. CASIMIR

Lillian is light-brunette and blue-eyed. Although usually quite, she has many friends. Lil takes her lessons seriously and likes to ask questions about them. She loves to travel. Most of us will miss the loyalty of Lillian. Her type are hard to find.

"BUCK"

ST. CASIMIR

This slender lad is a veteran of our High School. He has a quiet, friendly and sunny disposition at all times. An average student, he has one ambition, that is, to become a grocer.

"JEAN"

ST. CASIMIR

Tall, regal Jean shows by every action that she is a Senior. She has been a boon to the Senior Class on many occasions. Calm and dignified, Jean has many admirers. Her neat appearance and stick-to-it-iveness will help her attain her ambition to be a nurse.

"FLO"

ST. CASIMIR

Florence, or better known as Flo, is proud to say that she is the tallest Senior lass. Florence is gifted with a beautiful soprano voice. She is a good worker and always is willing to cooperate fully. Her ambition is to become a famous singer.

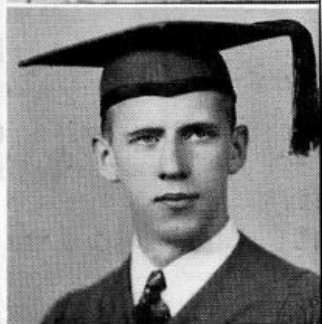

"BIMBO"

ST. CASIMIR

Bimbo has helped to make this world a lot noisier ever since August 1, 1922. He would be a great debater if debating didn't require specific and clear-cut facts. He gives all the questions, but the poor fella knows no answers. Bimbo will probably treasure some of those direct hits that the ladies have scored upon him.

**"AGGIE"**

ST. CASIMIR

Petite, dark-haired Aggie proved herself a favorite among her friends. Charm, a sense of beauty, a pretty smile go wherever she goes. She dresses conservatively and modestly. Rather studious, she does her best in studies she likes. Looking at Aggie, who would think that she is an excellent dressmaker.....

**"GAJE"**

ASSUMPTION B.V.M.

Edward, blue-eyed chap of 18, is the quietest boy in the class. His neat appearance and nimble feet on the dance floor made him popular with the girls as well as the boys. Although never a brilliant student, he was known for his studious nature. He could also be depended on to help in all school and class activities.

**"MARGIE"**

ST. FRANCIS

Margie is the studious lassie with light brown hair, twinkling blue eyes. Margie proudly holds the honor of being Editor-in-chief of the school paper. She has fulfilled the responsible position excellently. Margie is as loyal as they come. Her keen sense of humor has won her many friends.

**"STONE"**

ST. CASIMIR

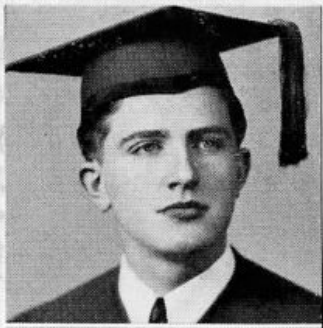

Cass has attended St. Casimir's ever since his first year way back in 1928. Stone likes to have a voice in all things of importance. His studies get a small part of his time in which is usually spent in argument with others. He is a sports enthusiast. His favorite sports are baseball and ping-pong.

**"CUTIE"**

ST. CASIMIR

Rita, tall slender, blond is a favorite of our high school. With a personality that is envied by all her friends. Rita, became popular overnight. We can truthfully say that Rita is the "belle of the Senior Class." Her one ambition is to become a successful milliner.

"STAPES"

ST. CASIMIR

Stanley has been a student of St. Casimir for twelve years. His greatest contribution to our Alma Mater was his ability in sports. He is a tall blue-eyed lad with a flashy smile and a striking appearance. He is known for his carefree attitude to which much of his trouble has been attributed.

"CHEESE"

ST. CASIMIR

Chester was born in Detroit on January 6, 1922. Chet is the man of nicknames. He's been referred to more times by his nickname than he ever will be by his first. He is short, dreamy, personable, and fast. His favorite pastime is singing. Who knows, some day he may become another Tibett, or perhaps s Melchior.

"KELLY"

ST. CASIMIR

Virginia is one of the prettier girls in our school, and she hopes to possess what she so widely advertises oomph. Her helpful suggestions in all matters and her way have been greatly made use of and appreciated by the students. She is known for her determination to finish what she starts. Much luck to you, Kelly

"BOOKIE"

ASSUMPTION B.V.M.

Roman is another lad who comes to us from Assumption. Something spectacular about Roman is the fact that he has not missed a day since he joined St. Casimir High. He is very popular with the fair sex who have stolen many a look his direction. His ambition is to be an office-manager and we are sure he will succeed.

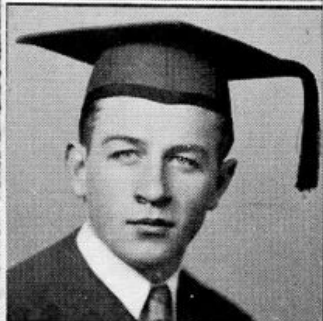

"JOE"

ST. CASIMIR

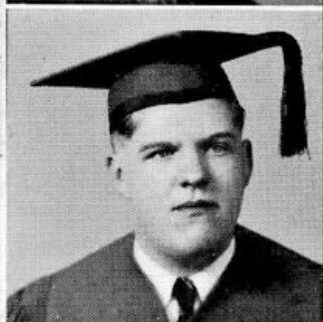

Ray, a modest five-foot-seven, brown-eyed boy of 18, had the **distinction** of being president of our class. He is a quiet, studious lad whose only vice seems to be his temper. His mathematical turn of mind has made smooth his path (as well as many a boy's) in algebra, geometry, and chemistry.

**"IRENE"**

ST. ANDREW

Quiet, nimble-footed, personable Irene hails from St. Andrew's parish. It is truly justifiable to class Irene as the-model student of the class of "Forty". She also distinguishes herself as a classified musician by playing a very rare instrument, the "Organopian".

**"HIENIE"**

ASSUMPTION B.V.M.

Henry, whose middle name is Trouble, hails from Assumption Parish, where he spent the first eight years of his scholastic activities. He's probably been in more trouble than all the other graduates put together. Hank has a ambition to play with the Detroit Eagles before his mustache sprouts into full bloom.

**"SLIPPERY"**

ASSUMPTION B.V.M.

John has attended St. Casimir Hi regularly since he transferred here from Assumption. No one will deny his honesty and tedious work as a student and as a business manager for the basketball team. He also indulges in football, baseball, and ping-pong. His goal is journalism and there is no reason why he should not reach it.

**"SHERIFF"**

ST. CASIMIR

Ted, because to his weak heart was forced to quit the Varsity in the Sophomore year but helped to serve the Varsity, he loved so, in the capacity of President of the Athletic Association and time-keeper. A medium sized fellow with brown eyes, he is known for his friendly disposition. Although not brilliant, he gets good grades.

**"CELIA"**

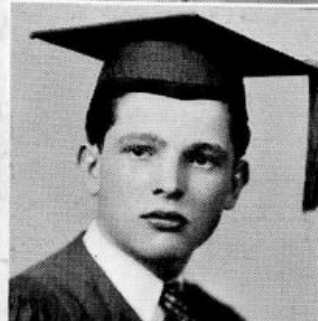

ST. CASIMIR

For twelve years Celia has been a student here. Her quite voice, ever smiling face, personal neatness, and unassuming nature put her in a class by herself. All these qualities of a model senior are mirrored in her. School affairs received a generous share of her time; all of this she did with a becoming gracefulness and ease.

"JO"

ST. FRANCIS

Elegant, slender, an ideal student is Jo. The qualities of a model senior are portrayed in her. A fair student, her interest in commercial work makes her confident of fulfilling any position. She helps anyone who seeks her aid. Jo made a very capable and honest treasurer of the Senior class.

"DOC"

ST. CUNEGUNDIS

Frank is the second of the so-called "foreigners." He was born in Posen, Poland, on September 9, 1922. Frank began his high school career at Mt. Carmel in Wyandotte but switched over to St. Casimir in his sophomore year. Since then he has become quite a popular lad here. An excellent student, he should go a long way in years to come.

"JABBER"

ST. CASIMIR

Ted the third and last of the out-of-towners and attending here for eleven years, hails from New Castle, Pa. There hasn't been a day when he hasn't had a quarrel. His motto seems to be "A quarrel a day makes me feel OK". However that does not disrupt his friendship with others. His ambition is to be a trifle hotter than Glen Miller.

"BETTY"

ST. CASIMIR

Betty would be a worth-while asset to any class. Hardworking, cooperative and honest, she is a favorite among her friends. Her virtues are many...her faults...we haven't discovered any. She is always willing to sacrifice her time. Her ambition is to become a nurse.

"SYKES"

ST. CASIMIR

Sykes is the kind of girl every boy likes. She is friendly, co-operative, and cheerful. Not finding any satisfaction in the appearance and manner of St. Casimir boys she wandered to Mt. Carmel in order to seek her dream boy. She found him.

## HISTORY

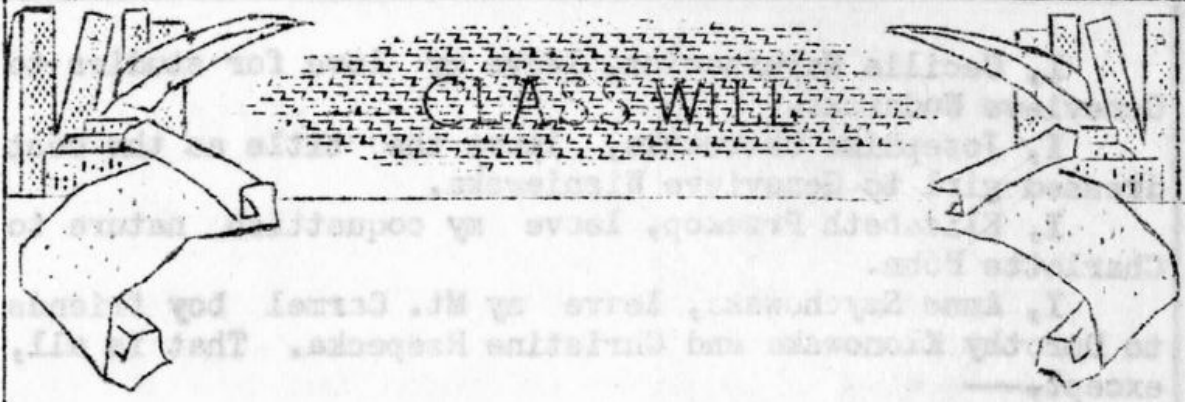

In September 1936, thirty four of us from various parochial schools entered St. Casimir. We came eagerly but with fear because of obstacles we should have to face, before someday we might graduate. The first of these, how well we remember, was the initiation. Other highlights of the year were: our first after-school dance at Halloween, our first unsurpassable flop--the Christmas day program--and the championship basketball season.

The following autumn we returned and found our ranks decreased by seven. As Sophomores we had the right to initiate the freshmen and made the best of it. But soon afterwards a depressing thing happened--the Sister Superior and Latin teacher, Sister M. Damascene died. This is the year that our Varsity won another championship and our class its first. Before we knew it, we were leaving for a three months' vacation.

With the Junior year we realized that half our life in school was over. We decided to quit our foolishness and become model upperclassmen. The year became a year of records and initiative. The Varsity reached heights never before dreamed of; we held our first Glee Club recital and the orchestra received new uniforms. We again won the Intramural Championship, and the year closed with the Junior Senior banquet.

In September 1939 twenty-seven returned to school for our last year. We were finally Seniors! The record patron drive, the Senior Prom, and the Class Play were an outstanding part of our Senior life. We have reached the climax of our life--commencement. For our four years we had struggled to reach this end; and now, that it's so near, sorrow chokes our hearts. The only thing we can say is that we shall never forget our Alma Mater and will always treasure the memories of the days spent with Her. Just seven weeks before graduation our number became 26.

# CLASS WILL

# ACTIVITIES

Class of '10 are five members of  
represented the first team. The  
season was concluded. These five

Henry Kowalski, the second four-factor man on  
squad. His record which is six feet seven, has been the  
greatest asset to the team. He has been an All-City - Man  
twice, in 1928 and 1929.

Henry Kowalski who alternated at guard and forward  
during his three years of play has been high scorer for  
the last two years. In the last year he scored 245 points  
to lead all other scorers in the Catholic league.

Charles Kowalski is the smallest but fastest of the  
five. To the team play would remain you of long build of  
Mr. Thomas. Thomas was first valuable to us.

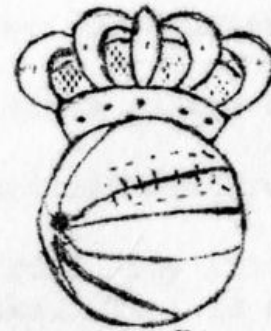

Thomas Kowalski was the best long shot on the team. At  
times his work was unsteady. He will be remembered for  
his clean play against St. Vincent. Thomas as a guard was  
one of the cleanest players in our league.

Constant Kowalski was one of the fastest members of the  
St. Constant's squad. His left-hand hands were the reason  
for that fact. St. Constant will have to look a long time  
before they find a man to replace him.

VARSIITY

VARSIITY

Graduating with the Class of '40 are five members of the Varsity. The Boys constituted the first team. Due to their efforts a brilliant season was concluded. These five boys are:

Stanley Kochanski, the second four-letter-man on the squad. His height which is six feet seven, has been the greatest asset to the team. He has been an All-City - Man twice, in 1938 and 1939.

Henry Leszczynski who alternated at guard and forward during his three years of play has been high scorer for the last two years. In the last year he scored 243 points to lead all other scorers in the Catholic loop.

Chester Kopczynski is the smallest but fastest of the five. To see him play would remind you of Joey Smith of St. Theresa. Chester was that valuable to us.

Roman Ksiazek was the best long shot on the team. At times his shots were uncanny. He will be remembered for his clean play against St. Vincent. Roman as a guard was one of the cleanest players in our league.

Casimir Kaminski was one of the feared members of the St. Casimir quintet. His left-hand shots were the reason for that fear. St. Casimir will have to look a long time before they find a man to replace him.

### GIRL VARSITY

The girl varsity is still in its pioneer stages. Although all attempts to form a league had met with failure, our girls showed their prowess by beating many a formidable opponent in exhibition. The bulk of this years team was mainly composed of Seniors.

Betty Przekop, a guard was known as one of the cleanest players of her sex. She was looked upon with admiration and envy.

Virginia Kowalska played on the varsity for four years. In the last two she played in the capacity of Captain.

Rita Kmiec as a guard was the hardest working girl on the squad. What she lacked on offense she made up on defense with her zeal, determination and cooperation.

Dorothy Urban alternating at forward and guard was unsurpassable when it came to a tough situation. She was an important member of the girls' team.

### INTRAMURALS

We are very proud of our intramural basketball team. In the Freshman year we were tied for the School championship and in both the Sophomore and Junior year we won the school championship but unfortunately we lost it in our Senior year. Not only were we good in Athletic contests, but also the intramural team was a training camp for future varsity stars. Our intramural team turned out such Varsity stars as Henry Leszczynski, R. Ksiazek, C. Koczynski and Casimir Kaminski.

### ASSEMBLIES

These were different every year, but always they were a "peach." We wouldn't miss the lectures by sedate professors, nor amateur performances by schoolmates for anything! The only unpleasant thing about the assembly was experienced by the officers who had speeches and formalities to rehearse. One thing that never failed was that all impromptu speeches and announcements began "As you all know."

### C.S.M.C. MEETINGS

Our otherwise apparent indifference to matters spiritual would suddenly disappear as the monthly or bi-monthly mission meeting came around. Inspired talks by missionaries from the field, plays to encourage mission activity, round table discussions of the Church's Missions--all these could hold us at the peak of mental concentration, and conclude with pious resolutions to help the work in the Lord's Vineyard by PRAYER and SACRIFICE and RIGHT LIVING. We can always gladly look back at the time when as members of the Catholic Students' Mission Crusade Unit No. 1312 we were active in this matter of SAVING SOULS! We hope to continue that work by enrolling in the Pontifical Society for the Propagation of The Faith.

### JUNIOR HOLY NAME SOCIETY

One of the finer things for us boys were the regular rallies and meetings at which we renewed our Holy Name pledges. Ever since the Society was organized in 1938 by Father Wyrzykowski and Sister Mary Electa, there has been a marked seriousness about our attitude toward the supernatural. All of that we recognize as a special grace of God, and hope that our entire lives may be a happy continuation of the same.

### THE SODALITY ACTIVITIES

We senior girls were fortunate to benefit in our last year by the fact that our Sodality of the B.V.M. was affiliated with the Prima Primaria. Our meetings were only bimonthly, but we shall never forget the Receptions,--the retreat, the monthly Communions and the seriousness of our prefect Ann Szychowska. Now our most earnest hope is this: that Our Lord will choose at least two of us for His Service--as we have prayed all year through.

### ORCHESTRA AND GLEE CLUB

Even if no one in our class was a member of the orchestra, we feel it is so bound up with the memories we are taking along that it deserves prominent place in this book.

The orchestra enlivened our parties, plays, patriotic programs, and last but not least—our Commencement week. We shall never forget Director Tony Kosla and his crew toting their "music-boxes" to the auditorium like a drill-corps, before every important school event.

#### AFTER-SCHOOL DANCES

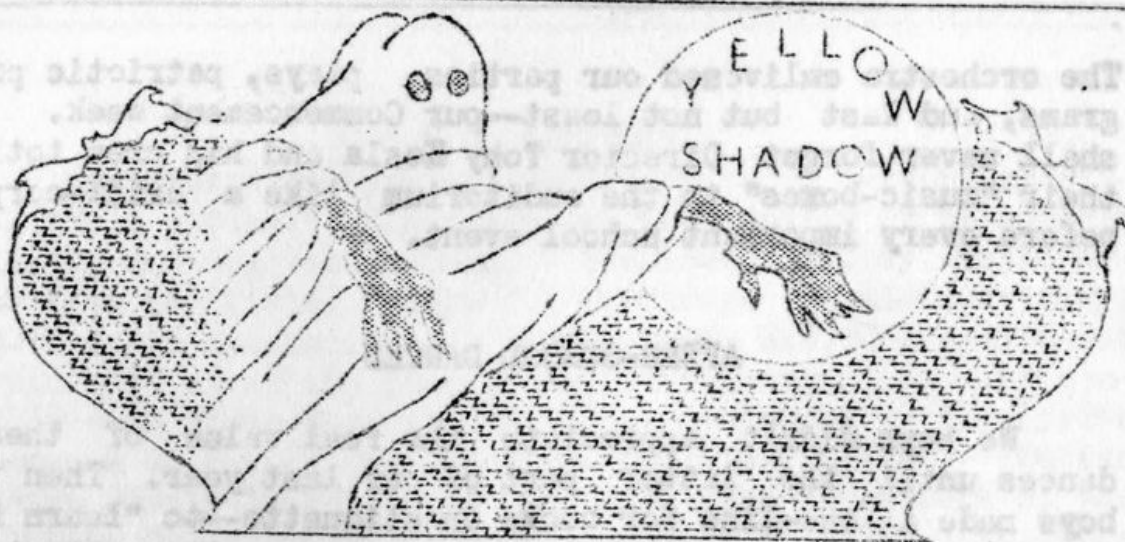

We boys didn't appreciate the real value of these dances until the latter part of our last year. Then the boys made a bee-line for books on etiquette—to "learn how to dance in 3 lessons" before we go out into the world and are found out to be "know-nothings." The girls' pleasures usually consisted in doing the planning, selling refreshments, and dancing their feet to white heat.

#### SENIOR PROM

After weeks of careful planning, the Seniors' efforts were rewarded when on the night of January 27, 1940, the doors of the ballroom were thrown open to the public. The scent of pine filled the air, and the entire setting gave one the impression of a woodland setting, covered with a roof of midnight blue and stars too numerous to be counted. Charming couples—dark suits and flowing gowns—glided across the floor to the soft strains of Eddie Casper's Orchestra. For four full hours the sound of dancing feet, intermingled with the laughter of happy people floated across the dance floor.

The many guests who came to our Prom because they expected a "decent" good time proved to all of us that proms can be morally and socially successful, as well as financially.

For our Class Play was selected a mystery-comedy, a type of play which has never before been attempted at our school. With the help of the Sisters, and the cooperation of the cast, the stage hands, and orchestra, we put on a play which went something like this:

Mildred Marvin inherits her uncle's estate and decides to stay there over the winter with her chum and cousin. They arrive at Viewcrest Lodge with the family attorney only to discover a murder had been committed there. Mildred also discovers that her disinherited brother is a boarder there. Then with the efforts of the sheriff, coroner and Jed Travis, the crazy man, the plot begins to thicken. Miss Marvin is kidnapped, a Chinaman captured, and strangely important papers stolen. With Sheriff Macklin running in circles, Miss Marvin returns and a climax is reached when Jed Travis is suspected as being guilty of the crimes. The end finds the true identity of Jed Travis revealed, the murderer (Attorney Wright) captured, and the Chinese smuggling stopped. The following made the cast:

Nell Travis, E. Przekop	Gilbert Wright, H. Polys
Alice Perkins, F. Bien	Mildred Marvin, C. Bohn
Hazel Wayne, D. Urban	Jed Travis, M. Brewczak
Herbert Marvin, C. Kopczyński	Wong Song, F. Ozog
Sheriff Macklin, J. Najduch	Yellow Shadow, S. Kochanski
Coroner Steele, V. Kowalska	The Body, Gerald Malek
