Our Spiritual Leaders

"To reproduce in souls the Living Image of Jesus Christ
is a work far surpassing the finest creation of human act."

St. John Chrysostom

REV. T. RZEZNIK

PASTOR EDWARD E. MAISEL

REV. A. NIECKARZ

*Awaken the hearts of Catholic youth and make it aware
of the necessity of good moral and spiritual life.*

In the atmosphere of luxury and worldly pleasures, this young prince served God and his country, through his prayers, mortifications, studies, good works, example and deep love of Our Lady. This love he expressed in a beautiful hymn, "Omni die dic Mariae mea laudes anima."

St. Casimir was possessed of great charms of person and character and was noted particularly for his justice, charity, leadership and Christlike personality. Being full of ardent piety and good works he rendered his soul into the hands of God March 4, 1484.

To the youth in service of God and country in memory of the four hundred thirtieth anniversary of his canonization we dedicate the 1952 Casmirecho. St. Casimir School salutes him as "Patron, and Model of Youth."

Teachers, Schools, and Education are the tools by means of which God builds up the human soul.

SISTER MARY CLEMENTINE, PRINCIPAL

Foreword

The work of rebuilding the world is the problem facing the youth of today. That reconstruction has fallen into the hands of men who had forgotten the words of Christ, "Without Me you can do nothing." The world can and should be rebuilt by active Christians who can rear the new order on a strong foundation, that is Christ, the Divine Carpenter of the universe.

If Christians are to do this they must be leaders. During the four years at Saint Casimir High School, our teachers put into our hands the Christian pointers of natural and supernatural aids that enabled us to develop leadership with Christlike personalities.

The traits that accent the Character of a leader may be easily detected in the life of St. Casimir, patron of youth.

Thus, under the protection of this Saint and the guidance of our Spiritual directors and teachers, we are prepared to be Christlike leaders working for God and our country.

Hence, as you thumb through this yearbook you will note how we strived to develop this Christlike leadership to make ourselves strong builders of the world and Masters of Life.

As Freshmen, the students rush in with a bewilderment at the novelties of high school life; as Sophomores, they bemoan the trying days of a lower classman; as Juniors, they perceive a bright horizon - a successful senior year; but Seniors . . . regret that it's all over.

These four years create Leaders for Tomorrow - pages 7-16.

Spiritual Guidance

Reverend Andrew Nieckarz, the moderator of the Holy Name Society, is preparing the senior members to love and to live their religion.

The Sodality is Mary's instrument. Janet Mikula, the prefect of the Blessed Virgin Mary Sodality, calls the meeting to order.

The Seniors are deeply engrossed in the practical study of Christian social principles.

Religion

the Soul of S.C.H.

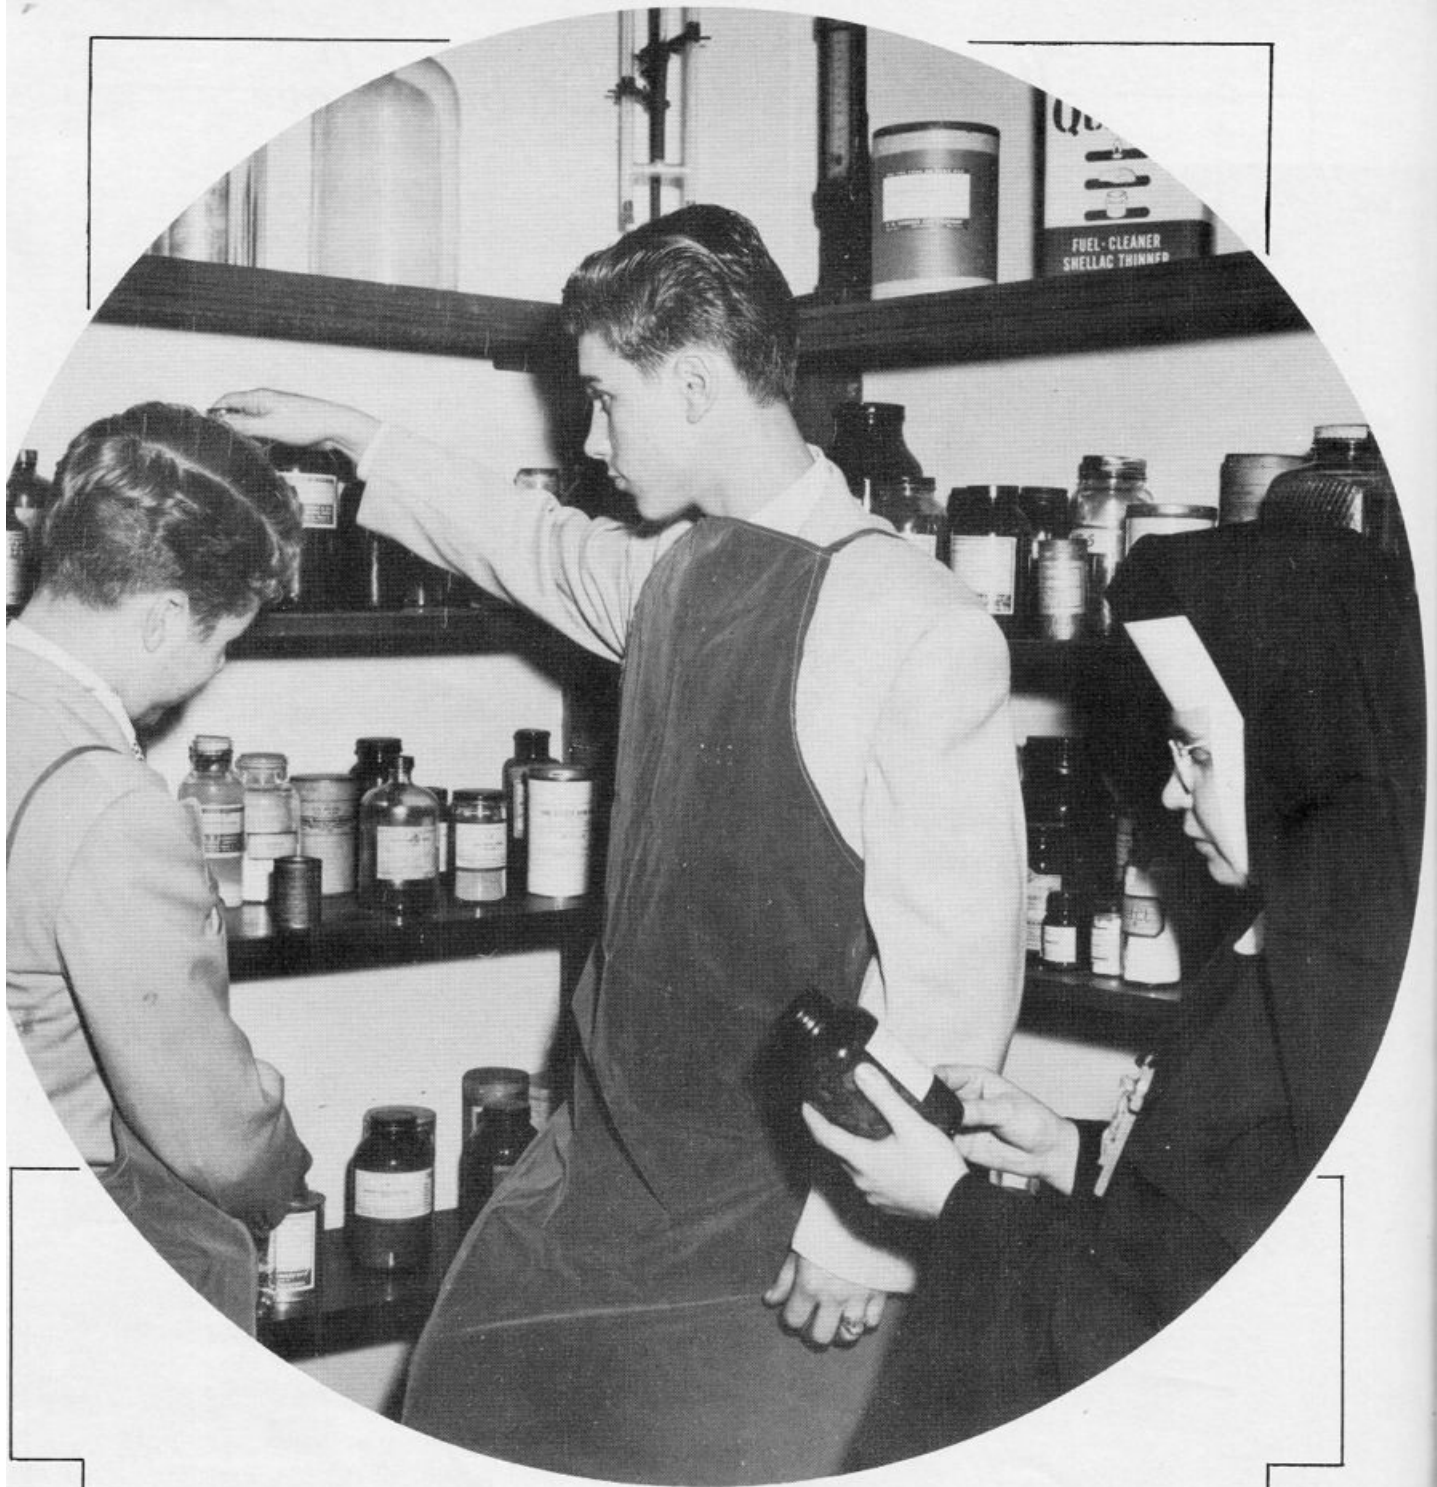

The Roads to Divine Love

Church History presents facts of the past and present which prove that in order to work out your happiness and salvation you must live by God's law.

Jeanette Winowiecka and Theresa Bartkowiak are both meditating on the answer to God's call.

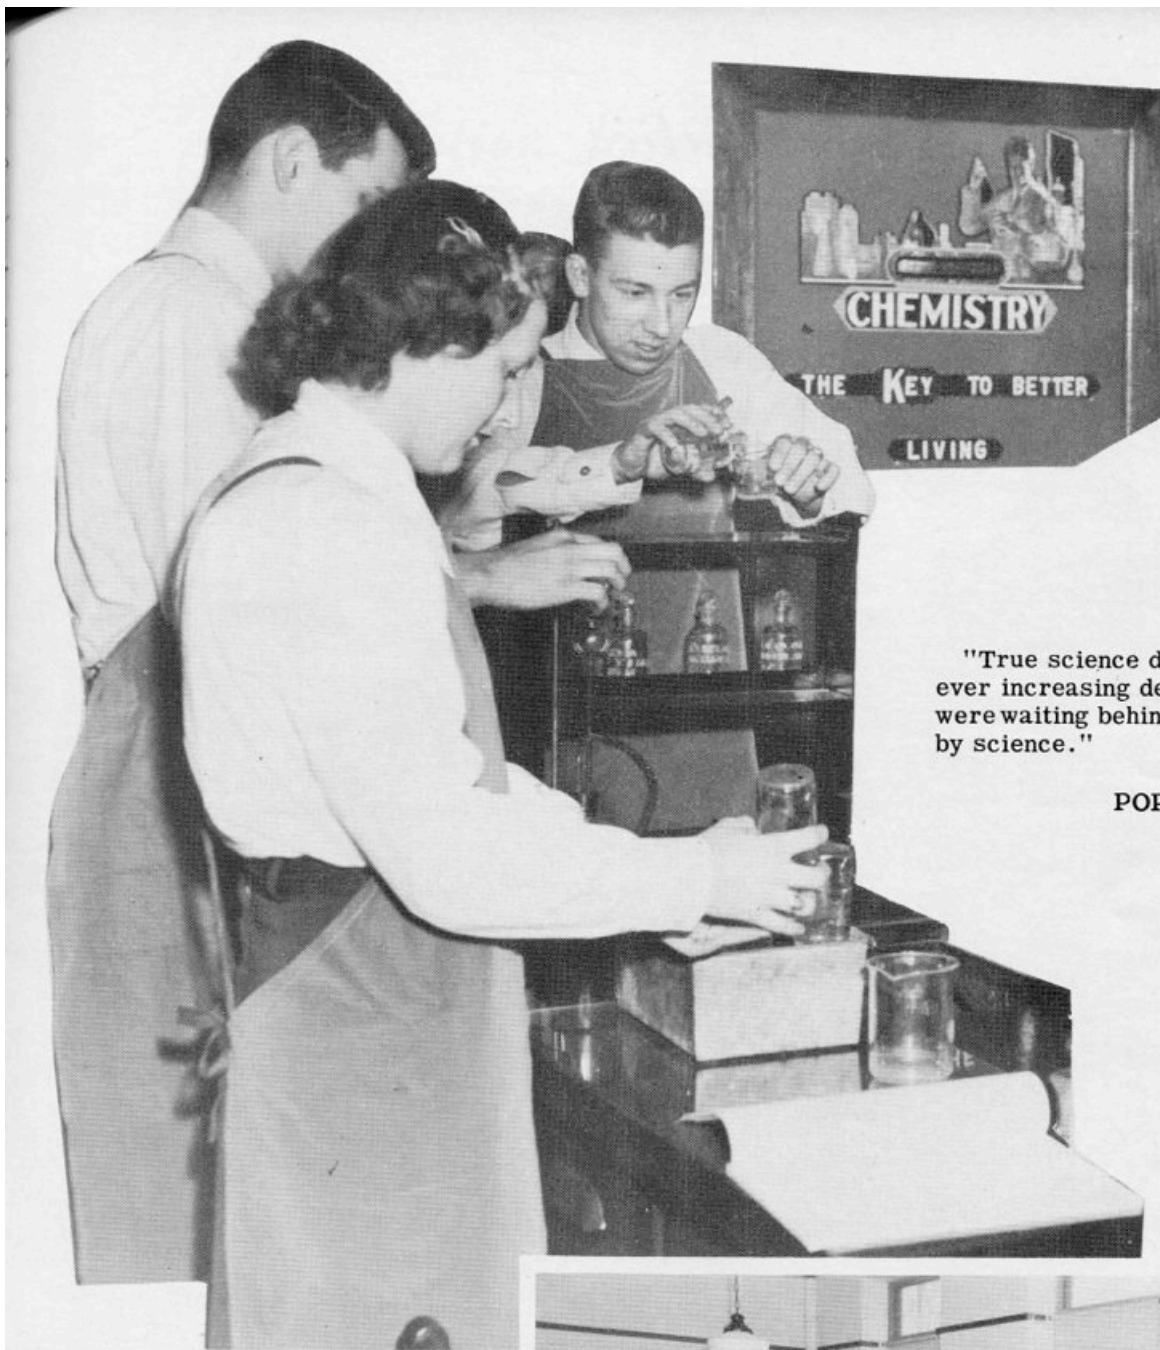

"It must never be forgotten that the subject of Christian education is man, whole and entire, soul united to body in unity of nature."

POPE PIUS XI

Education

the Heart of S.C.H.

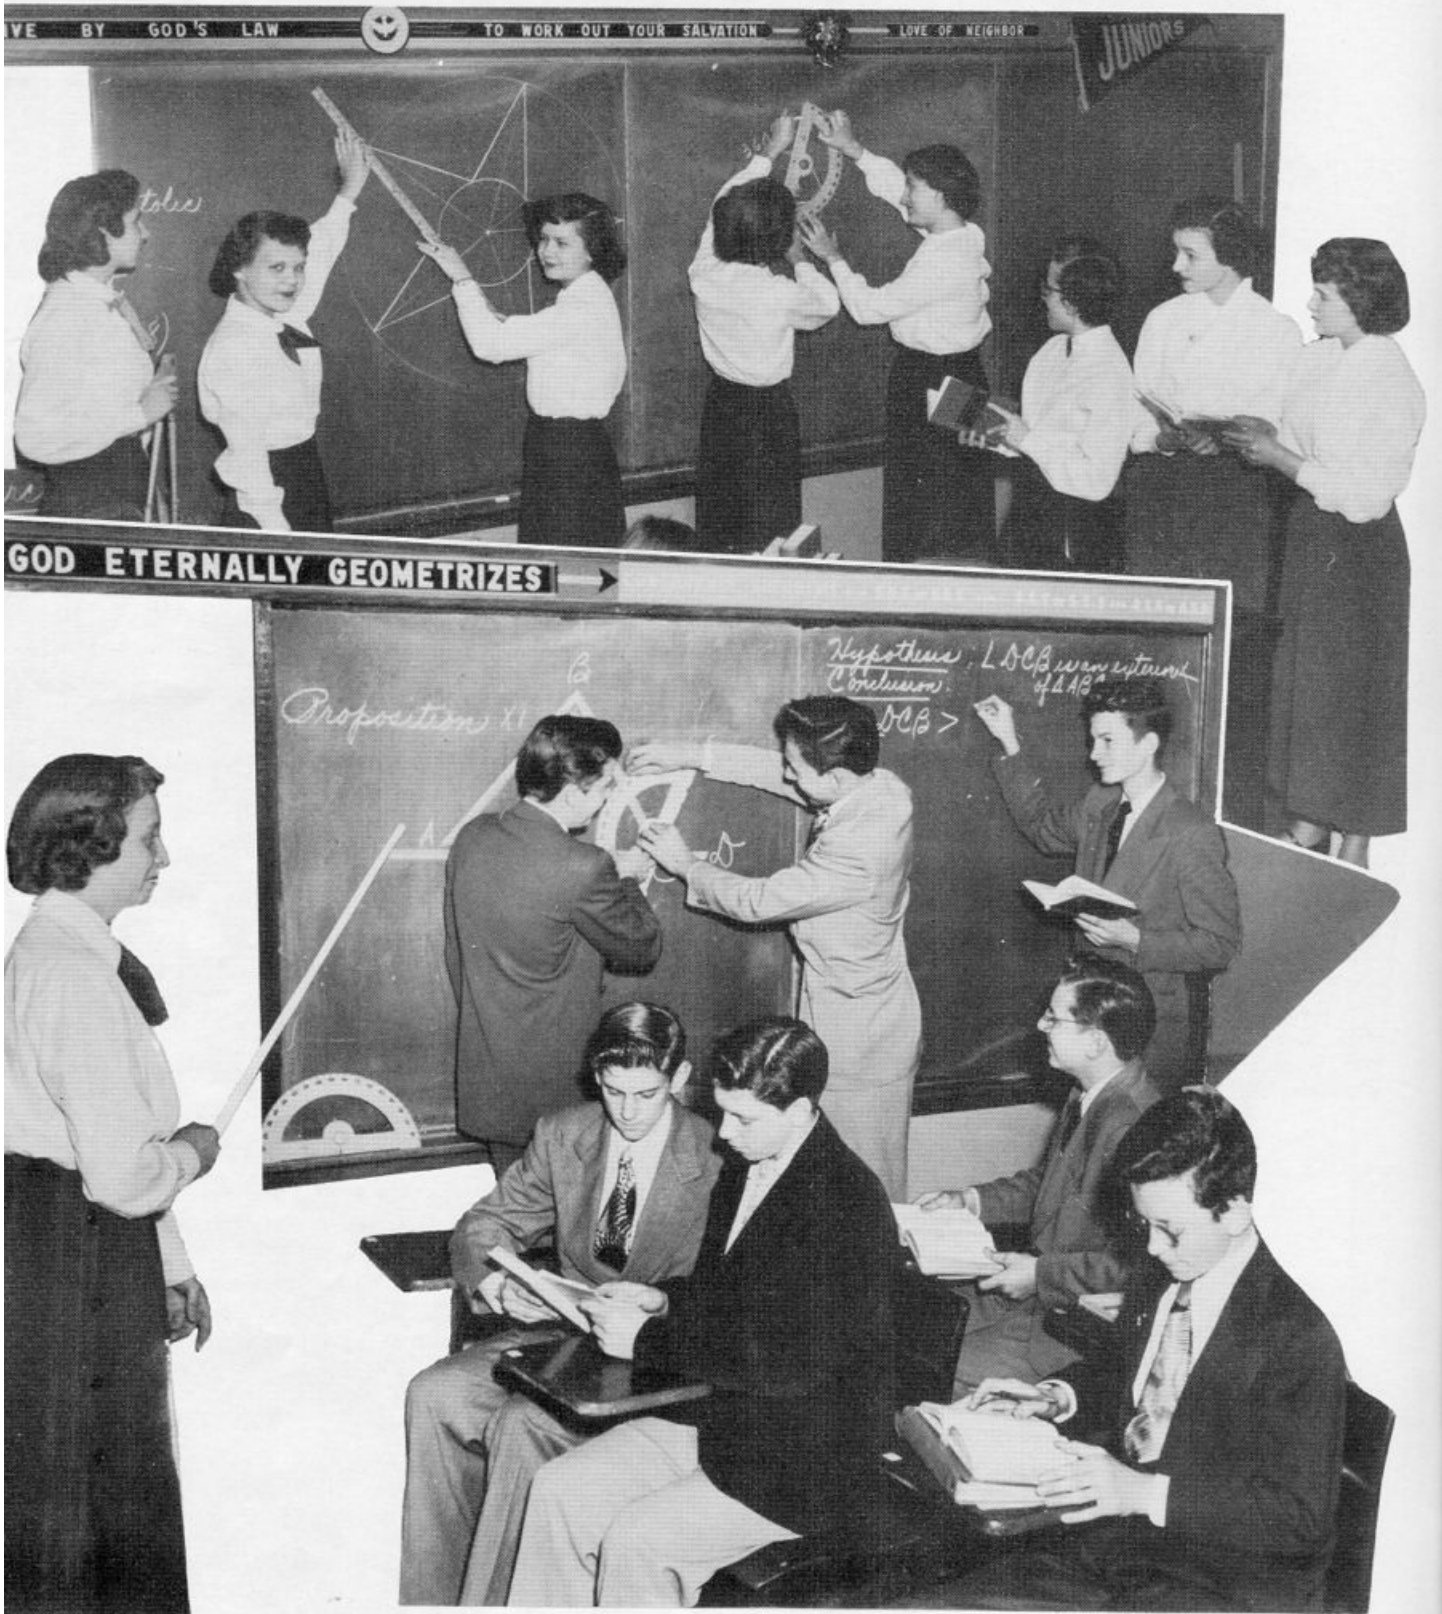

"True science discovers God in an ever increasing degree as though God were waiting behind every door opened by science."

POPE PIUS XII

These students are exploring the wonders of science.

Mathematics

Logical reasoning required in constructing angles, finding conclusions and proofs in Geometry may be a source of enjoyment by using your brain as you use your muscles in sports.

Introduction to the Industrial World

Drafting is the "It" subject for these boys. They intend to make the work with triangles, compasses and T-squares their career.

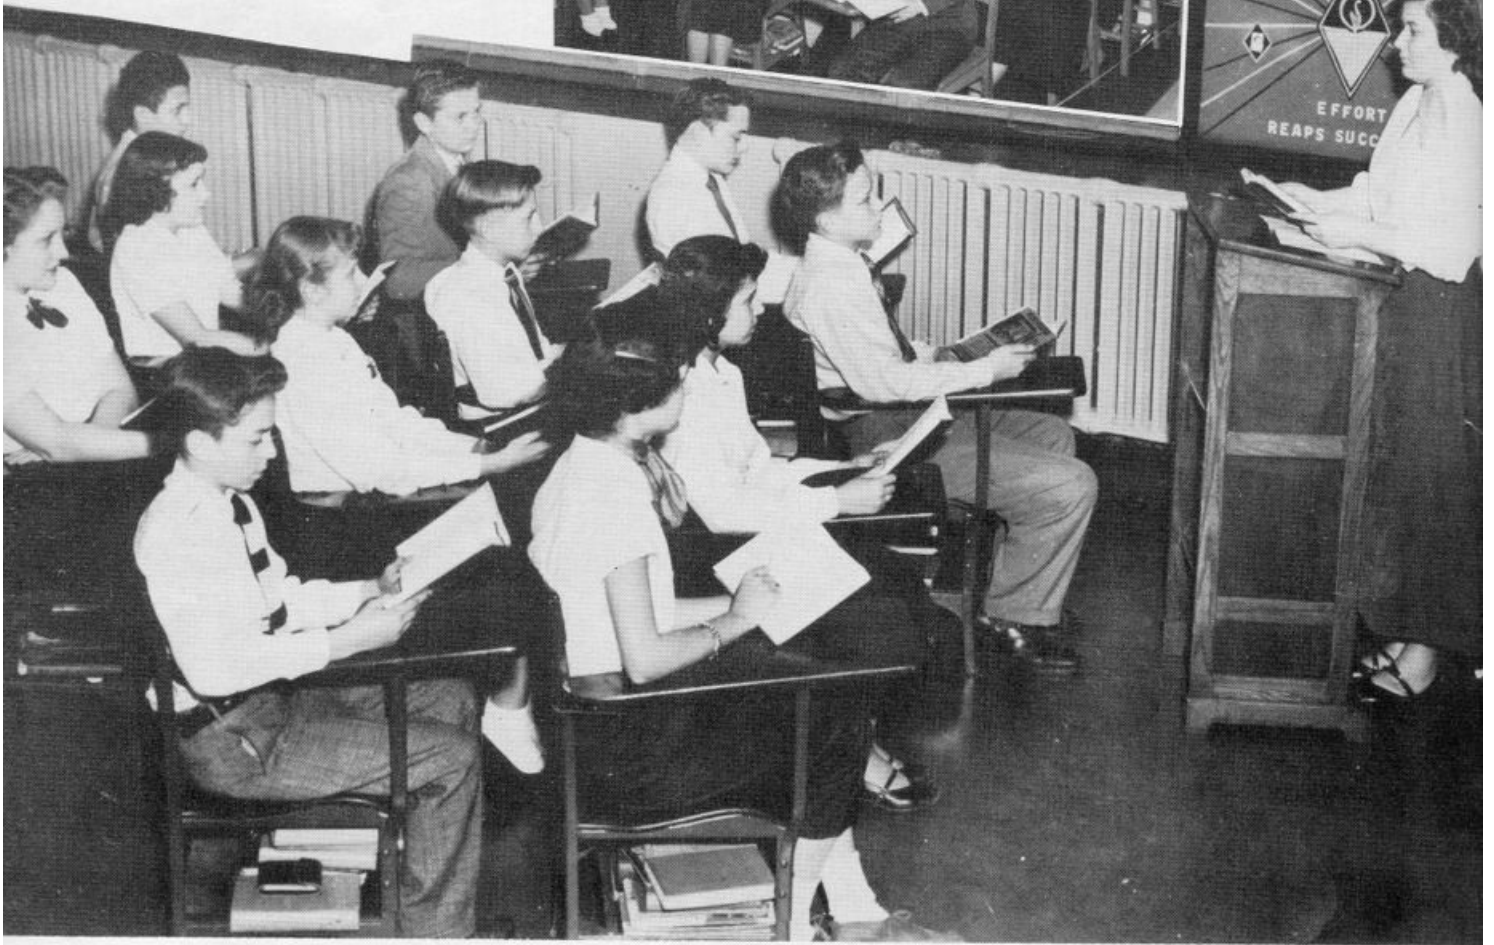

Algebra I does not seem to baffle the Freshmen. The group is concentrating as Nancy Wojciechowski sets up a problem and arrives at correct values for X.

The Lore of Languages

The ability to write clearly is one of the most important assets one can keep.

The Juniors have ventured into the depths of English Literature, finding the Essay most interesting and suitable to their taste.

"Repetitio Est Mater Studiorum," says Theresa Papler, last year's medal winner in the National Latin Contest. The Latin I students seem overtaken by her advice as they struggle along with vocabulary conjugations and declensions.

*The world points to
its Divine Master,
our model of Lead-
ership.*

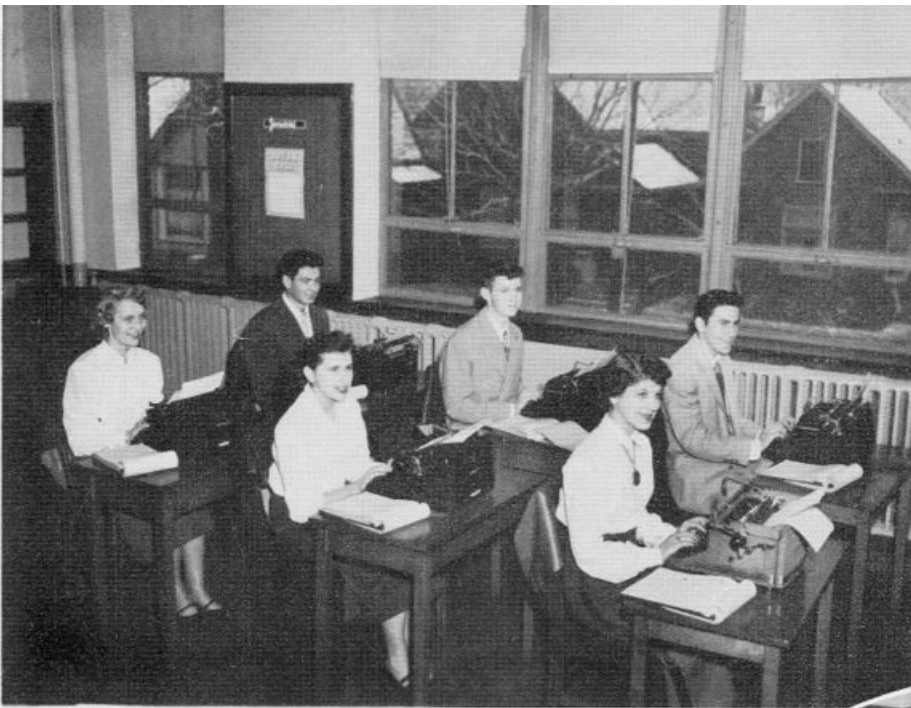

The Sophomores learn to think geographically about world problems of today.

The study of History provides for the students an understanding of today's events and a solution for future problems.

Business

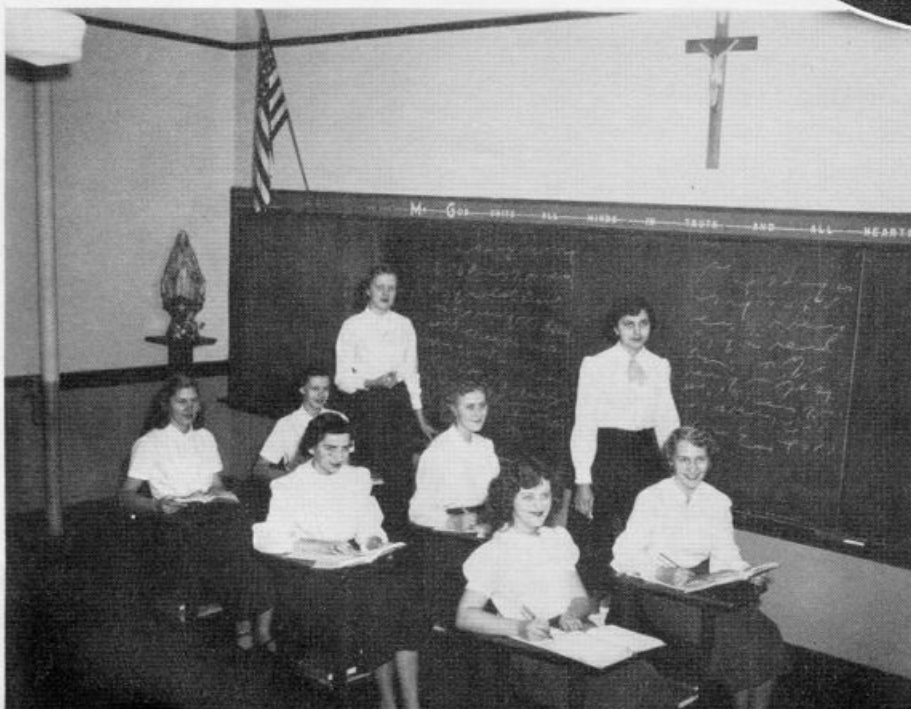

Leaders of tomorrow's industrial world depend upon today's training and efficiency. St. Casimir Commercial department is aware that the work of a typist must be efficiently executed, therefore, a commercial course with practical training is offered.

To solve the complicated business problems of tomorrow, these bookkeepers, under the direction of Sister M. Presentine, are energetically mastering the fundamental technique of the business world.

Shorthand speed and accuracy are the desired aims of these future stenographers.

Music Appreciation

Boys of St. Casimir High School have brought us some splendid voices in our midst. They contributed much to the listening pleasure of appreciative audiences.

They're delightful to hear! Their music festivals and concerts are always looked forward to.

The aim of the Music Directress, Sister Mary Bozene, is to enrich the students' hearts and minds by deeper appreciation of the beautiful through vocal expression.

A vital part of the High School Curriculum is the Study Period. Under the direction of the Felician Sisters the study time is well used.

The variety of activities, moral, intellectual, physical, and social supplement the steady grind of studies - they are the spark plug of life at S. C. H. Joan Gazda, Don Donlinger, Alice Chrzanowski, Betty Conant, Conrad Bazner, and Elizabeth Barlozek are planning the highlights for the social season.

Leaders for Tomorrow are the Students of S. C. H.

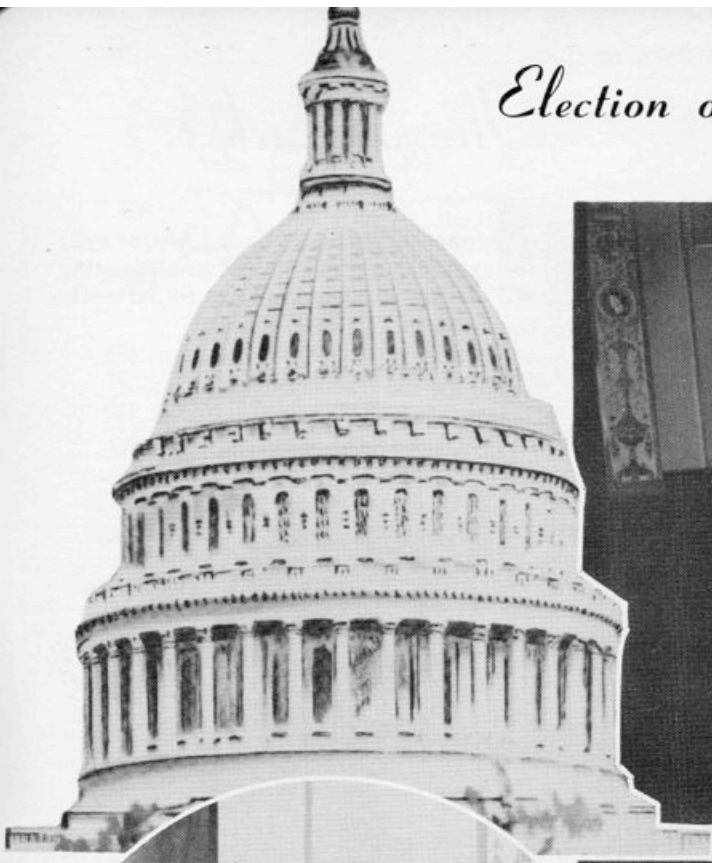

The Student Council gives an opportunity to develop leadership and responsibility and serves as a constructive force in promoting democratic ideals of our school.

The solution of all problems pertinent to student life at St. Casimir High is the objective of the Student Council.

Activities

The Life of S.C.H.

Election of the Student Government

Political Campaigns are taken seriously by the two parties - "Jets" and "Rockets". To sway votes of the students political speakers emphasize party platforms.

Registered students are casting votes at the S. C. H. election polls for school officials.

The Results

Senior representatives, Raymond Adamczyk, Ernest Misiak and Joseph Siupik are counting the ballots, as the student body is impatiently awaiting the results.

Rev. T. Rzeznik is announcing the election results to the assembled students.

The hub of the wheel at S.C.H. in 1952 are the newly appointed officers, James Zapinski, the president; Donald Jaros, the vice-president; Joan Taube, the secretary; and Don Kaspzyk, the treasurer.

The runner-up, Jerome Malolepszy takes it with a smile. The coveted dream of Mr. Zapinski carried from the freshmen days until the senior year is realized . . . the school president.

Our Ring Day

One of the most memorable events of the Senior year is the Ring Day. The long looked for day marked another treasured moment -- the Senior-Junior breakfast.

Algis Barakauskas explains to Frances Kairunas that the ring signifies a bond of loyalty and ready service to the school and Church.

The joy of the Ring Day is interwoven with various sentiments that will serve as an inspiration throughout the entire life.

The Unforgettable Entertainment

The rustle of net and the soft, sweet music blend to make the Senior Prom the highlight of the social season. This festive evening is climaxed by a Grand March.

Loretta Kluisza and her escort rest and watch the wonderful milling couples.

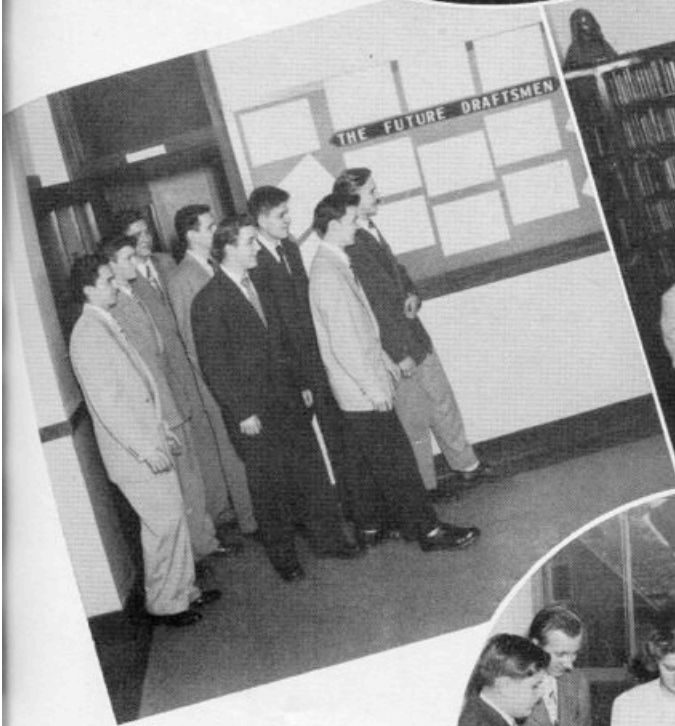

The gala affair danced down memory's lane as an enchanting night.

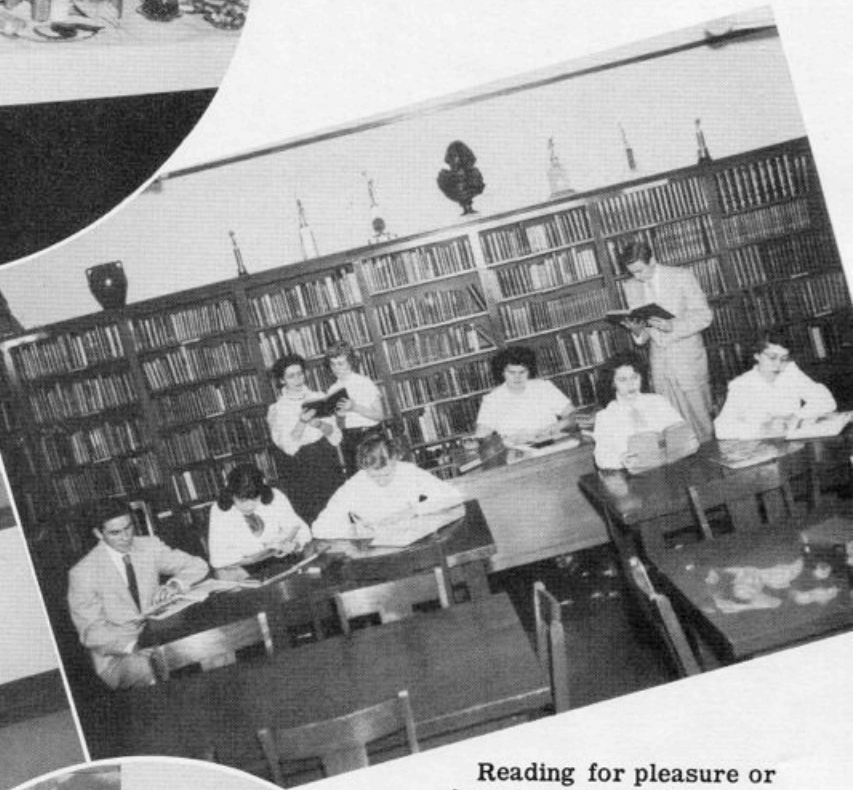

Co-ordinated Efforts

Patricia Bieniek, Pat Sulecki, Patsy Stasiewicz, Julie Kozielski and Barbara Laskowski are ever ready to serve all.

Patrol students endeavor to maintain order on the hallways.

Reading for pleasure or for research, the library is always a good stop to make.

Stamp sorting is one of the many tasks of these mission minded crusaders.

Spring Concert

A colorful note to the spring concert is provided by the voices of the S.C.H. Glee Club. Their songs have always been foremost on the Music Department agenda.

Vigorous voices combined form the "Girls' Octette."

Don Kaspzyk, an officer, meets an Indian girl, Pat Cray to whom he sings the "Indian Love Call."

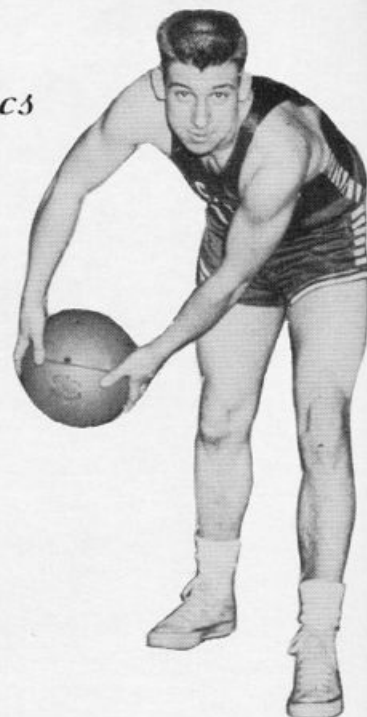

Our musical and dramatic performers apply aesthetic principles in the spring concert, featuring light band music, solos, and dances.

Athletics

TED "Kid Les" LESZCZEWICZ

As captain and playmaker of the team, Ted was a constant threat to the opponents with his unnerving set shot.

CONNIE "Satch" BAZNER

A great team player was our Satch. Although not a high scorer, his points came when needed most.

The Crescents started off the season in fine style by walking all over St. Anne 61 to 40. Their next game however pitted them against St. Cyril who used their home court to an advantage in eking out a 27 to 21 victory in a low scoring game. A tall, experienced All Saints quintet handed them their second loss 58 to 33. Having suffered two defeats, the Crescents finally snapped out of it and disposed of St. Josephat 36-34. That victory was soon forgotten as Sweetest Heart dicisioned the home team 48-43.

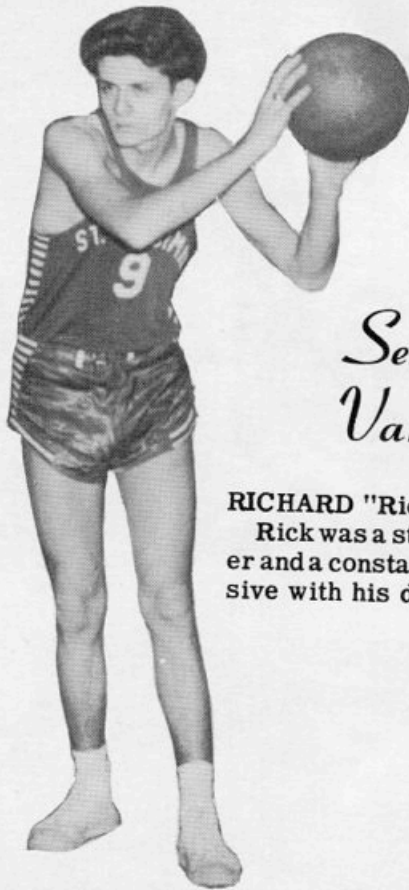

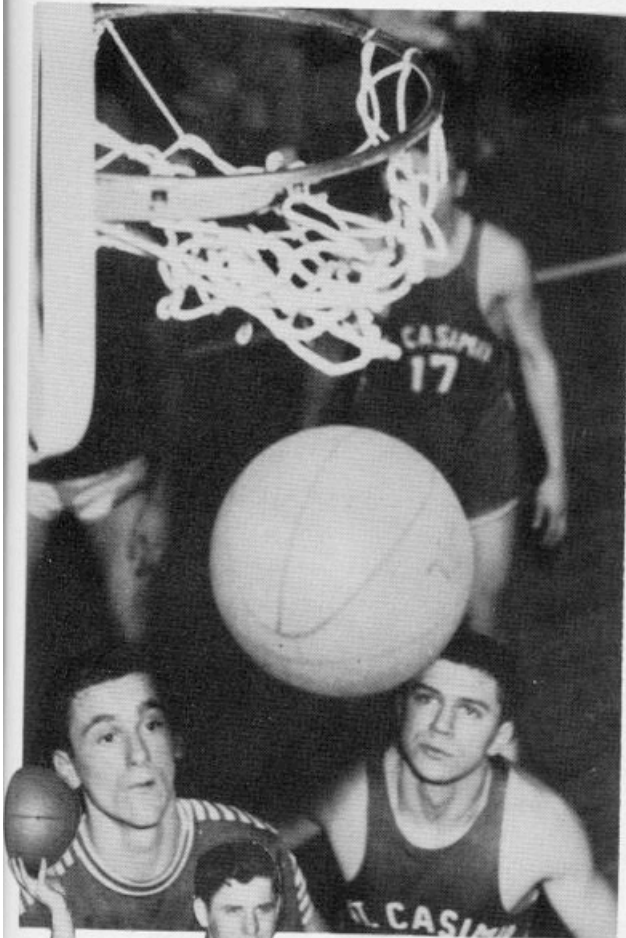

Having completed the first half of their schedule, the boys started the second round off right with a second victory over St. Annes 48-42. St. Cyril was the victim of the Crescents second straight win, as they avenged their early season loss to the Sharks. All Saints proved too classy in handing the Crescents their second defeat. St. Josephat's ten pulled the surprise of the season by clipping the Crescents wings 38-34 in a handfought battle on the Joe's home court. Sweetest Heart took their second of the season from St. Casimir 61-48 to end the regular season on a sour note.

The State tournament was next on the list for the spirited Crescents and they drew their season-long jinx Sweetest Heart as their first round opponent. The boys practiced hard for this one, but came out on the short end of a 45-44 score in a heartbreaker. This ended the Crescent basketball season.

GEORGE "Man Mountain" MAKARA

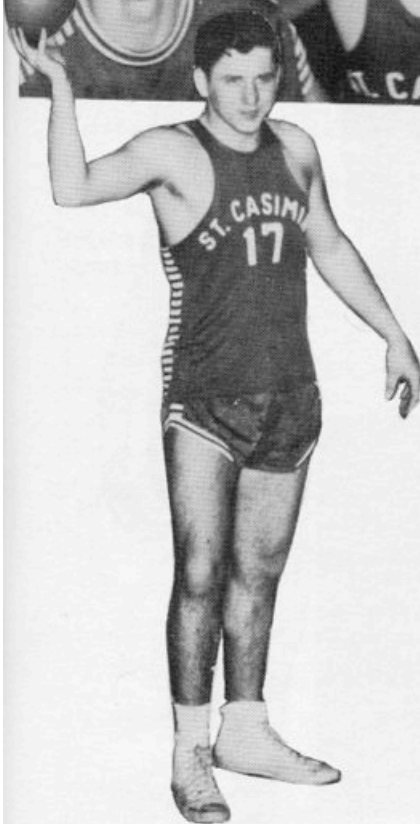

George was a good defensive man and always worried the opposition with his set shots.

*Senior
Varsity*

RICHARD "Rick" KOLNITYS

Rick was a star defensive player and a constant threat on offensive with his danger hook shots.

JOE "Cookie" DOBEK

Being the workhorse and high scorer for the Crescents, Joe carried the brunt of the defensive work on the backboards throughout the season.

JIM "Chips" ZAPINSKI

A fierce competitor and our excellent team man was Chips. You could always count on the chipper to give his all every minute of the game.

DON "Dimples" DONLINGER

Don could always be counted on to come through in the clutch when points were needed. He was aggressive on defense and a dead shot on offense.

DON "Creamy" MATHEWS

Don was a steady ballplayer, and always an "all out" man to win games.

Reserve League Champions

Hustle and determination are written all over the face of Leo Bieniek as he battles for the ball with All Saints Bob Lennis. There to help Leo is our capable pivot man, Joe Dobeck.

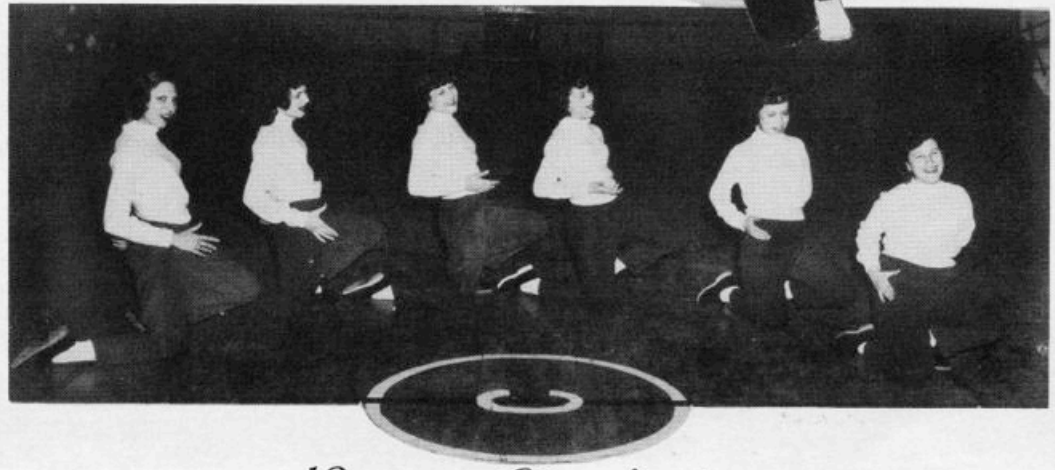

Yea Team!

93 Ounces of Progress

No one could ever call a typical 1880 telephone operator light-headed. Especially when she had her headset on—all six pounds six ounces of it.

That 1880 headset, though, was a good piece of equipment—the best of its day. But with its box-like transmitter and leather harness, it couldn't, by any stretch of the imagination, be called comfortable.

Today, of course, it's a different story. The telephone operator now wears a streamlined headset that weighs only nine ounces—93 ounces less than the 1880 model. It fits her like a new spring bonnet and makes her job as the "Voice with a Smile" easier than ever before.

And speaking of jobs, if you're graduating this year, and are looking for an interesting, important job, Michigan Bell may have one for you. Why not drop in soon for an interview?
