

**Welcome to the Old Rosedale Gardens Homeowners Association  
Facebook Group!  
As Amended December 31, 2015**

We are residents of Old Rosedale Gardens, a neighborhood bordered by the east side of Arden, the west side of Hubbard, the south side of Plymouth Road, and the south side of West Chicago. All Old Rosedale Gardens residents who are at least eighteen years of age may join the ORGHA Facebook Group. The group's administrator will use the ORGHA Directory to confirm residency. If the person asking to join is not in the directory, the administrator may have to contact him or her to verify residency.

**Old Rosedale Gardens Homeowners Association (ORGHA)  
Facebook Group - Purpose and Guidelines**

1. Purposes of the ORGHA Facebook Group:
  - To keep residents up to date on neighborhood events
  - To provide an opportunity to learn about and discuss both neighborhood and community issues
  - To help residents connect with others who live in the neighborhood.

The views expressed in this Facebook Group do not necessarily reflect the views of the ORGHA Board or of ORGHA as a whole.

2. Civility, respect, and courtesy are expected. The group will not allow name-calling, harassment, bullying, or derogatory posts/comments directed at another resident. Likewise, the group cannot permit profanity, obscene language, nude imagery, or violent content on the page. This section of the guidelines conforms to the Facebook Community Standards, to which every user agrees before joining Facebook. We trust group members understand that these guidelines are intended to keep conversation flowing in the kindest, most neighborly way possible and are not meant to quash free speech.
3. The ORGHA Facebook Group is not a place for commercial advertising or sales. Members are welcome to advertise and sell their own

belongings (e.g., household goods and furnishings, tools) and to ask for and give referrals to business establishments and commercial services. We realize there may sometimes be a fine line between commercial and non-commercial sales, and we will abide by the administrator's decision in this regard.

4. Please refrain from political campaigning, political endorsements, and partisan politics when you post or comment.
5. A group administrator may remove posts or comments that he or she believes are in violation of the ORGHA Group guidelines and/or Facebook Community Standards. In addition, group members may report any post or comment they think is in violation. (To report, click on the arrow above and to the right of the text and choose the appropriate option from the menu.) An administrator will determine whether a post or comment should be removed. The administrator may have a discussion with the group member who posted/commented but will always contact this person to let him or her know why the entry is deemed inappropriate. In an extreme situation, a post or comment might be reported to Facebook. A member may appeal the the decision to delete a post or comment to the ORGHA Board.
6. If a member puts up an extremely inappropriate post or comment, or if a member is a repeat offender, an administrator may remove him or her from the group. Removal could be temporary or even permanent, and the member will be given the reason for the administrator's decision. Either kind of removal may be appealed to the ORGHA Board. The board itself may review any inappropriate post or comment and may decide on a temporary or permanent ban.
7. Group administrators may delete posts that are not relevant to the current discussion (e.g., time-sensitive posts) or may "bump" more relevant posts to the top of the page.

By requesting to join or remaining in the ORGHA Facebook Group, you agree to these guidelines. Thank you and enjoy!

The ORGHA Board and the ORGHA Facebook Group Administrators
