President's Press by Dick McLain

Hot!! After our spring I should not be too surprised. Hope everyone is doing well and keeping healthy. We are going with an abbreviated newsletter this month. We will be back with the full newsletter next time. Hope you enjoy.

Unfortunately, we are cancelling the Ice Cream Social this year. Just too much risk on the social end. Movie Night is also cancelled. Too long of a process for approval to start now.

We had a hot Garden Walk in some very cool gardens. It was really fun seeing them all. We are really thankful to our gardeners for opening up their yards on a hot evening during a pandemic. We know it takes real work. And a big thanks to Heather Papp for organizing the event and Chris Johnson for her role overseeing all the activities. It is a tough year to be making all the decisions on events.

Look for the information on the ongoing efforts for beautification and the announcement on a scholarship winner.

COVID-19 virus is here for a long-haul type of event. Please be aware and wear your mask. It will help us all in the end. Wishing you all good health.

OLD ROSEDALE GARDENS SCHOLARSHIP

Our scholarship recipient for this year – Max Orosz

Hello, my name is Max Orosz and I have been a resident of Old Rosedale Gardens all my life. I am honored that I was selected as the recipient of the ORGHA scholarship for 2020. I will be using this scholarship to fund my education at Michigan State University. At MSU, I plan to study business. I will be a part of the Residential Business Community (RBC) this upcoming year, which then enables me to become a direct admit into the Eli Broad College of Business. I am excited to see what the future holds for me at Michigan State beyond the classroom as well! I cannot wait to watch Big Ten sporting events and join various clubs available to me through the school.

God Bless and Go Green!

SUMMER 2020 Home of the Season

9619 Auburndale, Home of Steve and Karen Ward

Steve and Karen moved to Old Rosedale with their children Nathan and Shannon 16 years ago. They had a stamped concrete patio and sidewalk put in and redid the landscaping, adding perennial flower gardens and in-ground

sprinklers. They've replaced all the windows, put in a new fence in the backyard and had the house painted two summers ago. Their kids were not crazy about the color blue chosen, but Steve and Karen love it! Their most recent home improvement project was a new roof, gutters and a door wall installation.

Their 20-year-old son Nathan said they won this year because he's mowing the lawn now. Way to go Nathan! Congratulations to the entire Ward family!

ORGHA Contributions

As of July 14th, we have received 252 contributions which represent 41% of the homes in the neighborhood! Great job ORG neighbors!

We are not far from surpassing our final 2019 contribution total of 46%. Maybe this year we will actually reach (or surpass!) our goal of 50% for the entire neighborhood!

The suggested contribution for 2020 remains at \$30, but as always, **any amount** contributed is gratefully accepted. **As a reminder, you can make your contributions either by mail by sending your check with the contribution form that is included in this newsletter, or by making your contribution using our convenient online system using the link <http://tiny.cc/gi4kky> . This link is also available on the Facebook Group page.**

Thanks again for your ongoing support!
