## President's Press by Dick McLain

SUMMER!! We are at the longest day of the year. All the school kids have finished the school year and for once are already bored from being at home. That probably never happened before. We are doing our best to come up with events that fit the guidelines of being safe. So, look at what we have coming up.

We are doing the ORGHA entrance beautification a bit differently this year but haven't gotten much of a response yet. If you have time and would like to help, call and sign up for a task. More volunteers mean each have a smaller task.

Some of you walkers might have noticed some unusual digging activity on the Mies Park asphalt pathway. Twenty years ago, Phil Johnson put in tenth mile markers along the inside of the path for his Troop 270 Eagle Scout project. They are being rejuvenated by his Dad Bruce to help walkers and joggers mark their distances. The 0 marker is along the northeast corner of the park just past the evergreens on the corner of W. Chicago and Blackburn/Delaware. There are markers for .1, .2, .3, .4, .6, and .7 which brings you back around and finally a mile marker near the south goalposts. (The half mile was close to the flagpole.) So, take notice the next time you go for a walk and you can track your mileage.

We are definitely having the Garden walk and I would like to remind folks that for the benefit of everyone you may come in contact with please wear your mask and keep the appropriate distance. We are very grateful for the folks willing to open up their yard this year. A big thank you.

One thing is for sure, we want to continue to realize the future we strive for in our Inclusivity Statement. Not only do we want to post the statement repeatedly but we want to remember it, work at it, work harder at it, and strive to accomplish it. We should choose to because we want to and because we are all better off if we are inclusive and treated equal. BLACK LIVES MATTER! They are at the greatest risk every day. We as a society need to change that. It will take us all.

Michigan has done a great job responding to the pandemic. We should all feel good about what we have achieved but we must remain careful as the virus is still here and we have no natural immunity or herd immunity yet. So, remember to check on your neighbors, stay at home or be safe when out and about, and help keep the curve as flat as possible. Wishing you all good health.

### ORGHA Events

#### ORGHA Summer Entrance Cleanup – we could really use the help if you have time.

Volunteers needed! The Beautification Committee would like volunteers to contact us for instructions on cleaning the entrances to the neighborhood. We should be able to follow a process that allows for the appropriate social distance and volunteers can work at their convenience. Once things open enough, we can set a date if needed for additional work and also for the fall. So please if you can volunteer contact us and we can organize the effort. We really appreciate any help during the pandemic.

Linda Koloski (734) 552-2391

Kathy Burnett (734) 716-9079

## Garden Walk – Yes, a summer event July 9th!

One of my favorite ORGHA events is the Garden Walk! When I was asked two years ago to be the Garden Walk Chair, I was very excited to accept the position. I never thought that there would be a pandemic that might prevent people from obtaining spring flowers and getting their gardens ready!

Thank goodness, our local nurseries were able to accommodate the new normal and had everything ready for all of us gardeners once we could go shopping for flowers, dirt and mulch. Given that this event is held outside and there is ample ability to social distance within a yard, and based on the latest mandates in Michigan, the ORGHA Board decided that it would be possible to hold our biannual Garden Walk.

This year we are trying something new for the Garden Walk (besides wearing masks and staying 6 feet away from other parties). People may be trying to get away on weekends since they've been holed up in their homes for several months. So, this year, we decided to hold the Garden Walk on a weekday evening, Thursday, July 9th from 7-9 pm. (This will be subject to change depending on the status of the pandemic and guidelines as of July 9th.)

We have at least 4 homes and are hoping for a few more. You will be able to pick up flyers at the participating homes that will provide a final list of the names and addresses on the 2020 Walk.

Jeff and Cindy Noble 11425 Berwick

Margie Harris 11010 Berwick

Bruce and Chris Johnson 9614 Blackburn

And Margot McCormack, our honorary Rosedale Master Gardener, at 30616 Cooley Blvd in Westland, in the subdivision across from Franklin High School.

We could still use a couple more families to open their yards to their neighbors. Please call Heather Papp at 734-732-4036 if you are interested in participating in the Garden Walk. We would love to add you!!

## Kona Ice is Coming – Yes, another summer event July 22!

Join us Wednesday, July 22 for snowcones from Kona Dan! The truck will be stationed in the Mies parking lot from 7-8pm. ORGHA will be covering the cost but feel free to bring a cash tip. We ask that you please wear a mask if possible and maintain social distancing while in line. See you then!

## 2020 Spring Home of the Season

11402 Berwick - Home of Eric Olson and Lisa Belcher

Eric and Lisa have lived in Old Rosedale since November 2011. When asked what work they've done on their house, the answer, quickly given, was "what haven't we done"? They repainted the entire house and have completely redone the landscaping. Their hard work finds this sweet charmer as this season's winner.

## ORGHA Contributions

As of June 10th, we have received 238 contributions which represent 39% of the homes in the neighborhood! Great job ORG neighbors!

**We are not far from surpassing our final 2019 contribution total of 46%. Maybe this year we will actually reach (or surpass!) our goal of 50% for the entire neighborhood!**

The suggested contribution for 2020 remains at \$30, but as always, **any amount** contributed is gratefully accepted. **As a reminder, you can make your contributions either by mail by sending your check with the contribution form that is included in this newsletter, or by making your contribution using our convenient online system using the link <http://tiny.cc/gi4kky> .
