President's Press by Dick McLain

Hello summer! I think we are ready. We are working hard to make this summer one with far fewer canceled events. So, stay tuned as we try to come up with the best way to have the picnic and be safe. The Covid guidelines keep changing in our favor especially for those having received the vaccine.

We have a great Home of the Season for spring so be sure to check it out. Everyone certainly is doing a great job with their homes and yards.

We have a number of folks interested in working to save the Alfred Noble Library. If you want to join the group, please send me an email.

Thank you to all those that came out and chipped in for Spring cleanup. It is good to get back to some level of normal.

The Sheldon Park Village shopping center has at least one new restaurant coming. A free-standing Dairy Queen will be coming and many are very happy to have a place for ice cream close by!

Thanks for everyone who contributed for the Lucky Block Challenge we had this spring. It is what makes it all happen for us year after year. Contributions are so important. Thank you.

Wishing you all good health and be safe.

**2021 Spring Home of the Season
10004 Arden - Home of Eric and Dorothy Sundeck**

Eric and Dorothy have lived here since 1966 and raised three daughters here, all of whom live within a mile of their parents. They tell great stories of volleyball games in the street, block parties and walking with friends through the neighborhood.

There is a beautiful pink dogwood tree in the front yard that they say looks even better from inside. As with most people with magnolia trees, theirs got hit hard by frost this spring. They're hoping for better luck next year.

ORGHA Contributions – 2021 Totals

As of May 15th, we have received 190 contributions which represented 31% of the homes in the neighborhood. We have had a great response to the Lucky Block Challenge, and would like to thank all those who have contributed.

So far Auburndale and W. Chicago are leading the pack with 39% of their residents having made their contributions to ORGHA!

Hopefully this year we can actually reach (or surpass!) our goal of 50% for the entire neighborhood!

The suggested contribution for 2021 remains at \$30, but as always, **any amount** contributed is gratefully accepted. **As a reminder, you can make your contributions either by mail by sending your check with the contribution form that is included in this newsletter, or by making your contribution using our convenient online system using the link <https://tinyurl.com/ORGHAContribution> . This link is also available on the Facebook Group page**

Thanks again for your ongoing support!
